Life Skill Programme on **"SHE TEAM"**

NAME OF THE RESOURCE PERSON: **1. Kishore.**

DESIGNATION: **A.S.I.**

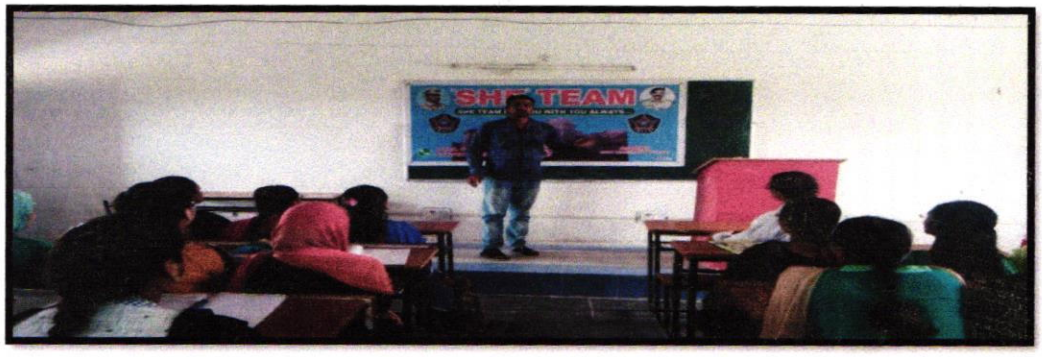
NAME OF THE RESOURCE PERSON: **2. Meenamma.**

DESIGNATION: **Constable.**

PHONE NUMBER: **08512-255332.**

Session-I: The office of the Training and Placement has been organised a life Skill programme for B.Tech students **"Awareness programme on She team"** 26th May 2018.The resource person for this programme is Mrs.Meenamma and Mr.Kishore. The Principal and the Resource Person inaugurated the programme. In the morning session, He delivered lecture among the students about SHE teams is to provide safety and security to women who are at home and working in different professions that were hitherto male bastions. Women should be able to go out with confidence, dignity and with their self respect intact. No college going student or women should suffer disrespect through vulgar comments made by offenders and language or misbehaviour.

Session-II: Another important objective is to act as a deterrent to the occurrence of more serious crimes by nipping the problem in the bud. For example if an offence committed under section 509IPC is not curbed it could embolden the offender to take on a more serious offence under section 354IPC. This could further lead to an offence under section 376.SHE teams also aims to correct misguided youth and make them aware of the consequences of teasing women which may seem heroic to them. Once there is a change among these youth they help the she teams by spreading awareness about the need to respect women as fellow members of the society and not look at them as objects of pleasure or ridicule.



Outcomes of the programme:

- Students cal learn about importance of SHE Team
- Students learn about sections of SHE team cases
