

Disabled –friendliness and Barrier free Environment

Disability is a term that includes motor and sensory limitations like mobility, vision or hearing impairments. It also includes disabilities resulting from chronic illness and syndrome. Many disabilities vary in degree and type of limitations, therefore, accommodations must also vary and should be tailored to the needs of the individual.

St. Johns college of Engineering and Technology will constitute a specialized committee for people with disabilities which will be responsible in preparing, executing and amending policy and guidelines for persons with disabilities.

The college has facilities such as

1. Ramp access into the campus.
2. Disabled friendly washrooms in ground floor.
3. Signage including display boards, sign spots.
4. Human assistance for physically disabled people
